Angled Snap-In-Jack Module, 45x45mm

Datasheet: GD061542v11

Brand-Rex | a **LEVITON** company

APPLICATION

The Brand-Rex 45 x 45 "French" style snap in jack module is a compact, robust and aesthetic design that allows for easy insertion of a variety of snap in jacks. Each module is supplied with a range of easy fit snap in colour port identification labels with white fitted as standard, see next sheet for all colours supplied. The module has been designed to fit a range of trunking designs and has been thoroughly tested to ensure excellent retention within trunking.
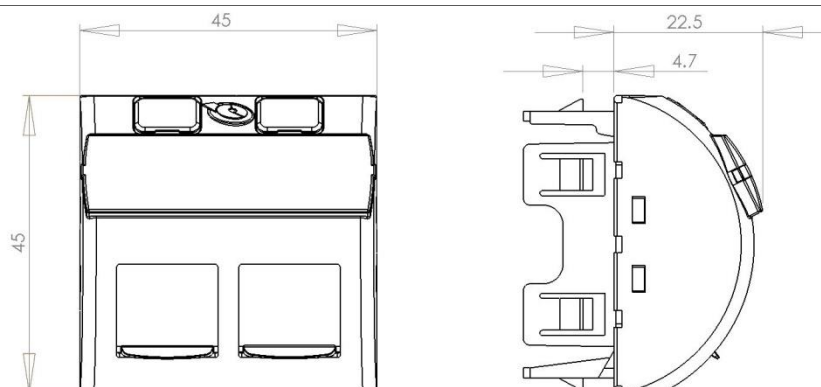

FEATURES

- Suitable for both screened and unscreened Brand-Rex approved snap in jacks

- White RAL9010 (options available)

- Port protection via sprung shutter door

- Coloured Port identification icons supplied

- Allowing for horizontal install that gives ease of Patchcord insertion

- Recyclable plastics used throughout
