

# 24 Port 1U Colour Insert Panel

Datasheet: GD069643v7

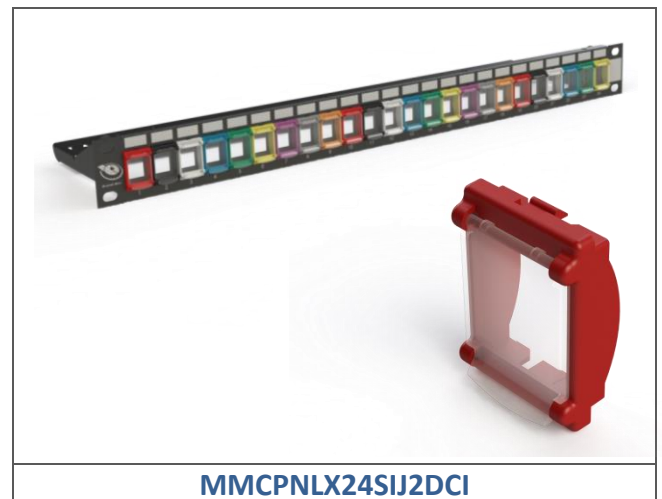

**Brand-Rex** | a **LEVITON** company

## APPLICATION

A 19" Snap in Jack patch panel that accommodates 24 ports within a 1U configuration and provided coloured inserts with dust protection for individual port/service identification. The product is supplied with a detachable cable manager and has black inserts with clear dust covers pre loaded into the panel as standard. Optional colour inserts are available for purchase separately to allow for easy to see individual port identification, see following page for details.

## FEATURES

- Interchangeable, easy to fit coloured inserts for port/ service ID
- Individual port dust protection
- 19" rack compatible.
- Full port labelling.
- U' identification space available
- Detachable cable manager.
- Durable powder coat finish in black (RAL9005) or grey (RAL7035)
- Suitable for both screen and unscreened jacks
- Supplied with rack mounting kit.
